#### Cambios introducidos en la evaluación

The exams of the Course in May-June 2020 will be done on-line using the Virtual Campus of the University of Oviedo. The exam will consist of two independent parts (test questionnaire with limited time and exercises). The weight of the final exam will be 60% over the total score.

The final exam will be done in the official dates established in the academic calendar. The students should be connected to the Virtual Campus at least a quarter of an hour before the exam. Videoconference infrastructure will be used during the exam to monitor students. Thus, students should have a webcam. Students that do not have a

webcam should get in contact with the Professor in charge of the Course before May 1st 2020.

Additional comments:

We would appreciate it if students write us confirming their willingness to take the exams and the date chosen.

### Cambios introducidos en las tutorías

No changes in the syllabus. But students may write the Professor and arrange an on-line appointment.
