Cambios introducidos en las metodologías y plan de trabajo

Cambios introducidos en la evaluación

As the continuous assessment tests due on 24th May and 5th May could not be held in-person, the 4 points of the continuous assessment will be recovered in the final exam.

*Thus, final grades in May 2020, June/July 2020 and January 2021 will be based on an **in-person** theoretical-practical **10 point** exam. In order to facilitate the evaluation process, the exam will be divided into two parts, each consisting of 3 questions. The student will be required to answer 2 questions of each of the two parts.*

In addition to what precedes, it must be taken into account that the Program to adapt the teaching and evaluation procedures in the University of Oviedo as a result of the COVID-19 pandemic (15th April) indicates that *for all those courses with in-person*

* Los cambios introducidos no deben alterar las competencias ni los resultados de aprendizaje esperados

exams, an extraordinary exam period will be established until the end of July, as long as health authorities allow it. Otherwise, exams will be online.

Successful completion of the course is achieved when the student attains a final passing grade of 5 points or above.

Cambios introducidos en las tutorías

While tutorials cannot be held in person, they would be held through the e-Campus, by e-mail or using Teams.
