Student Assistance

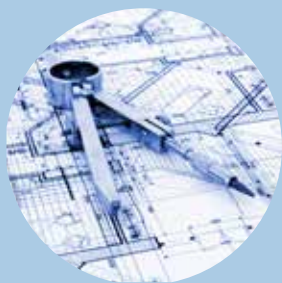

Insurance

Staying in foreign country is connected with higher risk than in your homeland. Medical, travel and baggage insurance is a package that will ensure your safety abroad. Even if you are in Poland already and plan to travel further, insurance is recommendable. Price starts from 120 euro per year.

Visa assistance

We will help you get a student visa in the Polish consulate in your country. You can depend on us when it comes to visa formalities, including organizing a Stay Card that gives you permission to work or assisting you to get work permission. Price starts from 120 euro.

University application

We will present to you our Universities, help to choose a field of study, as well as share the opinions of other international students who have already taken up the challenge and started their education in Poland. We offer a variety of courses: cheaper, more expensive and those which will satisfy even the most demanding students.

Orientation day

As we know that starting a new life in foreign country is a big challenge, we make it easier to meet other overseas students. We have our own overseas student centres in many academic cities, like Warsaw, Krakow, Poznan, Lodz, Lublin or Sopot. You can meet new friends during our orientation day. Price starts from 150 euro.
